

TUESDAY 28 MARCH

- 08:30-17:30 ● Registration open
 08:30-18:30 ● Exhibition open
 09:15-10:45 ● **Plenary session:**
 LEADERSHIP AND STRATEGY
How are flood and coast partners, at every level, showing leadership and working together to reduce flood risk?

10:30-11:30 ● Refreshment break

- 11:00-17:30 ◆ Seminar Live Theatre, Exhibition Hall (*Free to attend*)

11:00 onwards Conference sessions: (Paid for conference delegates only)

- 11:00-12:30 ● Managing the risk to UK's critical national infrastructure
 11:00-12:30 ● Innovation and sustainability
 11:30-13:00 ● Powerful projects in partnership I
 11:30-13:00 ● Future flood forecasting systems, measures and approaches

11:00 onwards Seminar Live session: (Free to attend)

- 11:00-12:30 ◆ Community flood groups in their own words – working with us to manage local flood risk.

12:30-14:30 ● Lunch

- 1315 to 1345 ◆ In Conversation with... Graham Brogden Director of Technical Claims, Aviva interviewed by Paul Cobbing, National Flood Forum

14:00 onwards Conference sessions: (Paid for conference delegates only)

- 14:00-15:30 ● Powerful projects in partnership II
 14:00-15:45 ● Modelling local flood risk
 14:30-16:00 ● Is your infrastructure your most important asset? What strategies can be used to protect it against flood?
 14:30-15:30 ● Supply chain briefing: private sector

15:30-16:30 ● Refreshment break

16:00 onwards Conference sessions: (Paid for conference delegates only)

- 16:00-17:30 ● Developments in coastal flood forecasting
 16:00-17:30 ● Valuing our data. How do we best utilise and share it?
 16:30-17:30 ● Funding for flood alleviation 1
 16:30-17:30 ● Managing the risks to rail and road bridges from scour

16:00 onwards Seminar Live session: (Free to attend)

- 16:00-17:30 ◆ Innovations in data, products and technology

- 17:30-18:30 ● Networking reception in the Exhibition Hall. Open to all

WEDNESDAY 29 MARCH

- 08:30-17:30 ● Registration open
 08:30-18:30 ● Exhibition open
 09:15-10:45 ● **Plenary session:**
 ENABLING GROWTH
How can flood and coast partners work with communities and local authorities to deliver sustainable growth?

10:30-11:30 ● Refreshment break

- 11:00-17:30 ◆ Seminar Live Theatre, Exhibition Hall (*Free to attend*)

11:00 onwards Conference sessions: (Paid for conference delegates only)

- 11:00-12:30 ● The future of sustainable drainage
 11:00-12:30 ● Our cities are the powerhouse of UK economic growth – are we doing enough to make them resilient to flood risk?
 11:30-13:00 ● New and different approaches to partnership working
 11:30-13:00 ● Delivering property level resilience

11:00 onwards Seminar Live session: (Free to attend)

- 11:00-12:30 ◆ Community flood risk planning – what can we offer people at risk and how can they get involved?

12:30-14:30 ● Lunch

- 1315 to 1345 ◆ In Conversation with... Emma Howard Boyd, Chair Environment Agency interviewed by Damian Carrington, Head of Environment, The Guardian

14:00 onwards Conference sessions: (Paid for conference delegates only)

- 14:00-15:30 ● Delivering FCRM schemes together – a selection of some of the best partnership FCRM projects
 14:00-15:30 ● Strategic planning on the coast
 14:30-15:30 ● Planning for flood risk
 14:30-15:30 ● Flood visualisation in a digital world

14:50 onwards Seminar Live session: (Free to attend)

- 14:30-15:30 ◆ Supply chain briefing: Government sector

15:30-16:30 ● Refreshment break

16:00 onwards Conference sessions: (Paid for conference delegates only)

- 16:00-17:30 ● Flood recovery – lessons learned
 16:00-17:30 ● Managing our FCRM assets to enable growth
 16:30-17:30 ● Sustainable coastal communities
 16:30-17:30 ● Tools and support for risk management authorities

16:00 onwards Seminar Live session: (Free to attend)

- 16:00-17:30 ◆ Working with communities at risk: the research

- 18:00-23:00 ● Flood and Coast 2017 Dinner featuring The Project Excellence Awards (*ticketed event*)

THURSDAY 30 MARCH

- 08:30-17:30 ● Registration open
 08:30-14:30 ● Exhibition open
 09:15-10:45 ● **Plenary session:** GLOBAL PERSPECTIVES AND INTEGRATION
How can a more integrated approach to water management improve outcomes for people, places and the environment?

10:30-11:30 ● Refreshment break

- 11:00-14:00 ◆ Seminar Live Theatre, Exhibition Hall (*Free to attend*)

11:00 onwards Conference sessions: (Paid for conference delegates only)

- 11:00-12:30 ● Natural flood alleviation – realising the potential
 11:00-12:30 ● Learning from international cities' approaches to flood risk
 11:30-13:00 ● Water – managing the extremes
 11:30-13:00 ● Under pressure – responding to a flood emergency

11:00 onwards Seminar Live session: (Free to attend)

- 11:00-14:00 ◆ Health and Flooding / Business and Flooding

12:30-14:00 ● Lunch

14:00 onwards Conference sessions: (Paid for conference delegates only)

- 14:00-15:30 ● Ecosystem services: quantifying the wider benefits of FCRM schemes for the environment
 14:00-15:30 ● International perspectives on resilience and response
 14:00-15:30 ● Natural flood alleviation in practice
 14:00-15:30 ● What does the future hold for FCRM asset management?

- 1430 ● Exhibition closes
 15:30-16:00 ● Closing Session

LOCATION

- Foyer
- Exhibition Hall
- Ludlow Room 1
- Ludlow Room 2
- Ludlow Room 3
